INTRODUCTION

Mrs. Johnson and William Paschall.

The editorial material for this publication was prepared by

the registrars of pension applications to 1810.

Many veterans, their widows, and other dependents to 1810; and cards: the registrars of pension certificates issued to Army and from 1802 to 1808, which preceded the system of pension payment also in record group 12 are the pension agency payment books

filled.

tion has been attached to a card, the communication has also been the monthly payment card. In the few instances where a communication beyond this period had their payments recorded on a second card—monthly instead of quarterly. Pensioners whose payments extended the form of the card occurred in 1853, when the payment was made card for recording payments made to widows. A major change in printing for which pensioned. A block is available on the "widow" and the veteran's name replaces the information about the date and "Widow" cards, the widow's name replaces the veteran's, rate and record of the individual payments. On the "Army Widow" appear the name of the veteran, his certificate number, and the former roll number, and "none." On the reverse side of the form card), the date of death, the date the Bureau was notified, the name of the pension agency or group transferred from (if applicable date of pension, the date of the certificate, any fees paid, the of pension or certificate, the rate of pension, the effective which pensioned, the law or laws under which pensioned, the class case number, his unit or arm of service, the description for "Widow" and "Army Widow" are the name of veteran, his certificate for the four classes.
